

Prompt Techniques Assignment

Exercise 1

Technique: Zero-Shot Prompting.

Exercise 2

Technique: One-Shot Prompting because one example is provided.

Exercise 3

Answer: Few-Shot Prompting. Multiple examples help maintain a consistent writing style.

Exercise 4

Example One-Shot Prompt:

Example Customer: 'My order arrived late.'

Example Response: 'We're sorry for the delay and appreciate your patience. We'll work to improve our service.'

Now respond politely to: 'I received the wrong product.'

Exercise 5

Rewritten Prompt: Example: Input: 'Send this now.' Output: 'Please send this at your earliest convenience.' Now rewrite: 'Send this now.'

Exercise 6

False. Few-shot prompting is used when examples are needed, not for very simple tasks.

Exercise 7

Prompt B is better because it clearly specifies the length, product, and target audience.

Exercise 8

Few-Shot Prompting is the best choice for consistent writing style across multiple outputs.
